

# 9<sup>TH</sup> ANNUAL PEMS CONFERENCE AND WORKSHOP

## EVOLVING FROM THE LABORATORY TO THE REAL-WORLD

MARCH 14 & 15, 2019

### SPONSORSHIP OPPORTUNITIES

Thank you for considering support for the 9th Annual Portable Emissions Measurement System (PEMS) International conference. The PEMS International conference is a two-day event that gathers leaders from all areas of measurement systems, including fully compliant regulatory PEMS (1065 Compliant PEMS) and small systems, which include everything from micro PEMS (uPEMS), nano PEMS (nPEMS), in-situ sensors, activity measurements (PAMS), Real Emissions Assessment and Logging (REAL), to Simple Emissions Measurement Systems (SEMS). This year's theme will focus on "Evolving from the Laboratory to the Real World." Sponsorship opportunities for 2019 are as follow:

#### PLATINUM SPONSOR \$15,000

- ❖ Live demonstration opportunity
- ❖ Naming opportunity of evening reception on day one of the conference.
- ❖ Priority placement in demonstration area -- 10' Exhibit space – Exhibit space to include one electrical outlet, (2) 6' tables, and (2) chairs
- ❖ Recognition as Platinum Sponsor on conference website and day of event
- ❖ Prominent logo placement on all marketing materials and onsite signage
- ❖ Hyperlinked logo on conference website
- ❖ Registration for 10 individuals

#### GOLD SPONSOR \$10,000

- ❖ Preferred placement in demonstration area -- 10' Exhibit space – Exhibit space to include one electrical outlet, (2) 6' tables, and (2) chairs
- ❖ Sole sponsorship of one of the following: conference luncheon (1 available), breakfast (1 available), coffee break
